

Health Care

With a thorough understanding of business and legal challenges facing the health care industry and a coordinated approach, Chambliss delivers a wide range of legal services to clients across the industry.

Chambliss health care lawyers provide guidance to clients for issues ranging from compliance to professional and facilities licensure. Through its interdisciplinary approach, health care lawyers work closely with the firm's Business, Finance, Intellectual Property, Labor and Employment and Litigation Sections to bring strategic solutions.

Chambliss lawyers provide guidance to leading health care participants throughout Tennessee and the Southeast. Clients include:

- Physicians and other medical groups
- Physician practice management companies
- Outpatient diagnostic centers
- Ambulatory surgical centers
- Faculty practice plans
- Home health providers and hospices
- Hospitals
- Medical equipment suppliers
- Nursing homes and assisted living facilities

Experience

Served as outside general counsel for one of nation's largest billing and practice management companies

Provided counsel for the development of physician joint ventures with hospital partners in leading physician specialties

Served as outside health care counsel on major acquisition of major billing company, which entailed intensive review of HIPAA laws and changes required by Omnibus Rule

Provided representation of health care clients in health care audits and reviews with private and federal payors

Counseled clients during the reorganization and preparation of corporate governance and health care compliance documents for leading health care participants in the Tennessee and Georgia regions

Negotiated professional service agreements between hospitals and hospital-based physicians
