

Family Business Planning

For more than a century, Chambliss has assisted family-owned businesses with a full range of business legal services through its Family Business Planning Group. From establishing family partnership and limited liability companies to developing succession plans, Chambliss lawyers help clients navigate the complexities of family business laws.

Chambliss' services include:

- Establishing family partnerships and limited liability companies
- Recapitalizing and reorganizing family businesses
- Developing family business succession plans
- Understanding Tennessee franchise and excise tax exemptions
- Understanding Trusts for S-Corp, LLC and LP interests
- Utilizing asset protection trusts
- Utilizing life insurance trusts
- Understanding special needs planning
