

Brad Davis to Present at Beef Initiative Food Intelligence Summit

Brad Davis will co-present with Texas Slim at [The Beef Initiative Food Intelligence Summit](#). His presentation will discuss legal challenges and solutions facing ranchers, processors, and startup businesses operating in and around the space of decentralized, regenerative agriculture. The program will take place from September 16-18, 2022, at [White Oak Pastures](#).

[The Beef Initiative](#) is a trade group focused on decentralizing and making their food supply more localized, redundant and secure, and improving the quality of their food through pure animal protein and sound money. Their goal is to provide market access to producers, consumers, and anyone in that supply chain who understands and prioritizes the importance of food integrity and sound money in the pursuit of living healthier and happier lives.

Brad Davis is a shareholder and member of the litigation and labor and employment sections at Chambliss. He represents and advises numerous manufacturers and other businesses in litigation and transactional matters, including drafting and advising on arbitration agreement, and other business and regulatory issues. Brad has been involved in the launch and expansion of the Beef Initiative. For more information on his experience and practice, visit [his bio](#).
