

Chambliss Connection: Spring 2021 Radiology Digital Magazine

Chambliss health care attorneys have a long history of working with regional and national providers of radiology services and their affiliated vendors. After a year of unforeseen clinical, financial, and regulatory challenges presented by the pandemic, our team has made it their goal to stay ahead of the curve and provide our clients with the latest insights and strategic solutions for their businesses.

In our spring 2021 edition, we are sharing our assessment of the legal outlook facing radiology providers this year and beyond. We hope this content will help clients and industry contacts navigate day-to-day processes of operating a radiology business amidst the lingering challenges resulting from the COVID-19 pandemic.
