The Stophel Scholars program aims to foster local talent and encourage promising students to build long-lasting mentor relationships with Chattanooga professionals. The John C. Stophel Distinguished Student Award is presented annually to recognize high performing business students who have made significant and meaningful civic contributions to UTC and the Gary W. Rollins College of Business while maintaining a strong academic record. Award recipients are chosen based on their strong leadership, decision-making, and communication skills, as well as the presence of a high degree of self-motivation.

Chambliss established an endowment at UTC in 2008 to honor the legacy of Mr. John C. Stophel, a founding member of the firm. Mr. Stophel practiced law for more than 50 years, during which he led numerous civic, charitable, and religious efforts to benefit the Chattanooga community. He additionally served as chairman of the University of Chattanooga Foundation Board of Trustees from 2001 to 2004.
