

COVID-19 Vaccine Eligibility Updates for Surrounding Counties and States

See below for important updates pulled directly from the [Tennessee Department of Health's update: TDH County Health Departments Offer COVID-19 Vaccination by Appointment](#).

Tennesseans can follow a simple, three-step process to learn when they're eligible for vaccination and register for a vaccination appointment:

1. Find Your Phase

Tennesseans can find out what phase of the vaccination plan they're in by visiting <https://covid19.tn.gov/covid-19-vaccines/eligibility/>.

2. Find the Phase Your County Is Vaccinating

To learn what phase your county is vaccinating, visit <https://covid19.tn.gov/covid-19-vaccines/vaccine-phases/>.

3. Register for a Vaccination Appointment

People who are in a phase currently being vaccinated in their county can register online at <https://covid19.tn.gov/covid-19-vaccines/vaccine-phases/> for an appointment time to receive a vaccination through their county health department. Click your county on the map and then click "Make an Appointment" to register. Those who register will be asked to enter their name and contact information to be notified of their appointment date, time, and location as soon as vaccine becomes available.

4. More Information can be found on the [Department of Health's website](#).

Please remember: each state has the flexibility to tailor recommendations from the Centers for Disease Control and Prevention (CDC) and the Advisory Committee on Immunization Practices (ACIP) for prioritizing vaccination. Therefore, the risk-based phases will vary in each state. Furthermore, each county's vaccination within each state is limited by its vaccination supply. This means some counties will be further along in their vaccination phase than other counties, even if the counties are in the same state.

Tennessee Counties

Tennessee County	Current Distribution	Vaccine Location	Availability
Bledsoe County	Any eligible person in Phases 1a1 & 1a2 and individuals 75 years and older	Bledsoe County Health Department (1185 Alvin York Hwy Pikeville, TN 37367) Make an appointment online or call (423) 447-2149.	Awaiting shipment. Available to residents and non-residents.

None of the Tennessee Counties above have COVID-19 vaccines available at the time this was published. The counties will announce when shipments are received. **Bledsoe, Marion, and Sequatchie have confirmed they cannot turn away non-residents.** Bledsoe, Bradley, Marion, and Rhea Counties have confirmed their next vaccine site once vaccines are received. Meigs and Sequatchie Counties will likely change locations as schools will be back in session before the next allotment is shipped.

Alabama Counties

Alabama County	Current Distribution	Vaccine Location
Dekalb County	Phase 1a (statewide) <ul style="list-style-type: none"> Frontline health workers, including clinical and non-clinical, in hospitals, nursing homes, or those providing in-home mental health care directly Workers in other health care settings providing services with risk of exposure to fluids and aerosols 	<ol style="list-style-type: none"> Dekalb County Health Department (2401 Calvin Drive SW, Fort Payne, AL 35967) Make an appointment by calling the Vaccine Scheduling Hotline at (855) 566-5333. Dekalb Regional Medical Center (200 Medical Center Drive SW, Fort Payne, AL 35968) Jackson County Health Department (204 Liberty Lane, Scottsboro, AL 35769) Make an appointment by calling the Vaccine Scheduling Hotline at (855) 566-5333. Highlands Medical Center (380 Woods Cove Road, Scottsboro, AL 35768)
