

# Doug Griswold to Present at iiBig's 13th Annual Investment and M&A Opportunities in Health Care Conference

Doug Griswold will partner with other industry professionals to present at the [International Institute for Business Information & Growth's](#) (iiBIG) 13<sup>th</sup> Annual Investment and M&A Opportunities in Health Care Conference. Fellow panelists represent the [University of Miami Health System](#) and [Stoneridge Partners](#), and their roundtable presentation "Healthcare Partnerships & Joint Ventures" will focus on when it makes sense for businesses to enter into joint ventures and partnerships as opposed to outright mergers and acquisitions, as well as how these changes may affect business model structures.

The virtual conference is scheduled for September 20-21, 2021, and will feature an executive faculty of 30+ thought-leaders in health care investment. For more information on the conference, see the full schedule on the [iiBig website](#).

Doug chairs the Health Care section at Chambliss and is a member of the mergers and acquisitions team. He primarily works on regional and national deals in the health care sector and is a board member for the Tennessee chapter of the Association for Corporate Growth. He also advises health care providers on physician employment and equity arrangements, professional service arrangements, state licensing and certification issues, billing and coding matters, and compliance/regulatory guidance. For more information about his practice, visit [Doug's bio](#).
