Section 1.01 Hamilton County Health Department Announced New Vaccination Site at Enterprise South Nature Park and Additional First Dose Vaccine Appointments for Phases 1a1, 1a2, and Adults 70+

The Hamilton County Health Department has announced an additional COVID-19 vaccination site. The new vaccination site is located at the **Enterprise South Nature Park, 190 Still Hollow Loop, Chattanooga, TN 37416**. This addition makes three total COVID-19 vaccination sites in Hamilton County.

Eligible individuals will be directed to the appropriate vaccination site upon completion of their appointment. **Please do not visit a vaccination site before scheduling an appointment.** Online appointments are preferred and can be found at Hamilton County COVID-19 Appointment website. Individuals without access to internet can make their appointment by phone (for first dose appointments, call 423-209-5398; for second dose appointments, call 423-209-5399). Due to high call volume, the Hamilton County Health Department anticipates callers may experience a busy signal. If this occurs, the Health Department recommends hanging up and calling back.
