

Mark Cunningham to Present at 2024 HBMA Revenue Cycle Management Fall Conference

Mark Cunningham will present at the [Healthcare Business Management Association \(HBMA\)](#)'s [2024 Revenue Cycle Management Fall Conference](#) on Tuesday, September 17, 2024. His keynote presentation, "Legal Lessons from the Change Healthcare Data Breach," will explore the significant operational and legal impacts of the recent cyberattack on Change Healthcare, which impacted the U.S. health care system and revenue cycle management industry. Mark will analyze key legal issues, risk management strategies, and contractual considerations to help prevent future disruptions, while also discussing potential improvements in the clearinghouse's framework. Attendees will gain practical tactics to mitigate risks and safeguard against future cyberattacks and related performance issues.

The conference will be held September 17-19, 2024, in Austin, Texas, and is open to members and nonmembers. For more information or to register, visit the [conference event page](#).

Mark is the president and managing shareholder at Chambliss. Recognized nationally for his legal services in health care, Mark keeps his clients on track, delivering strong results through his unique combination of drive and niche experience in areas such as radiology, revenue cycle management, physician/hospital ventures, and complex transactions. While he advises on just about every area of health care, he primarily acts as outside general counsel to large physician and revenue cycle management practices, with a specific focus on strategic, contracting, and regulatory issues.
