Stephen Adams recently authored “[Navigating IP Agreements: Essential Contracts for Entrepreneurs](#)” for the [December 2024 issue](#) of [EDGE Magazine](#). In the sponsored article, he discusses the importance of utilizing NDAs, licensing agreements, and collaboration contracts to protect and leverage intellectual property assets. Stephen explains that by understanding and strategically applying these agreements, entrepreneurs can more effectively manage and lay the foundation for long-term success.

Stephen Adams is a shareholder at Chambliss and chair of the firm’s intellectual property section. He has represented individuals — from entrepreneurs, inventors, and start-ups to small and large corporations, governmental entities, and universities — on various intellectual property matters and in a variety of industries, including medical, strength and conditioning, entertainment, manufacturing, and renewable energy.
