**I strive to provide my clients with tailored guidance and personalized solutions to help secure their assets and legacy for future generations.**

Abigail Jansen Sutton specializes in comprehensive estate planning, estate administration, and wealth preservation. She meticulously crafts customized estate plans tailored to diverse client needs and is proficient in navigating complex probate matters. Her previous experience as a trust administrator provides her clients with a unique perspective as she understands the intricacies of trust structures and carefully approaches drafting. In addition to safeguarding substantial estates and facilitating a smooth probate process, she excels in creating personalized plans to address family business succession, facilitating estate administration with closely held business interests and other unique assets, and meeting the needs of clients and families with different dynamics and backgrounds. Abigail is committed to a client-centric approach and prioritizes each family's distinct goals. Her compassionate style ensures clients feel secure in their financial legacies.

### Experience

Assists clients with the preparation of various estate planning documents, including wills, revocable trust agreements, and powers of attorney

Advises high net worth families, family offices, and individuals on estate and tax planning techniques and specialized irrevocable trusts, such as spousal lifetime access trusts (SLAT), insurance trusts (ILIT), dynasty trusts, and charitable lead and remainder trusts, to maximize the use of the federal estate and gift tax exemption and achieve other tax-related benefits

Modifies existing trust agreements through nonjudicial settlement agreements, decantations, or court-approved modifications
