I empower my clients to face complex challenges by creating tailored and sensible legal strategies to secure resources, protect their rights, ensure future security, and provide for lasting care for loved ones who require special care, attention, and protection.

Rebecca Miller is one of only a handful of Certified Elder Law Attorneys in the region qualified by the National Elder Law Foundation to serve elders and individuals with special needs and their families. She works with clients in both Tennessee and Georgia on elder law and special needs planning and care coordination, as well as estate administration and contested and uncontested conservatorship and guardianship proceedings. She is routinely appointed by courts to serve as guardian ad litem or attorney ad litem and has served as conservator and guardian as well.

Rebecca is committed to delivering the highest level of technical skill and also fostering strong, meaningful relationships with clients and their families. She seeks cost-effective solutions and strives to offer strategic alternatives to best meet her clients' goals. Rebecca's strong understanding of family dynamics plays a crucial role, along with her experience as a Rule 31 Listed General Civil and Family Mediator. She understands both the legal challenges and emotional difficulties often associated with her clients' cases.

Sidebar

Rebecca likes sitting by a real wood fire with a good book, her husband, two daughters, her cats, Tobi wan Kenobi and Marigold, and dogs, Nora June and Ruthie. She also likes to travel with her family, and they are trying to visit all the national parks.

She spends a lot of time cooking for her family and friends. She prefers to "interpret" rather than follow recipes, so she can rarely replicate a dish or share the recipe. She is the proud winner of four Chambliss chili cook off ribbons, including one 1st prize.

She enjoys concerts and musicals, predictable movies with happy endings, intriguing podcasts and documentaries, and marking items off her to-do list, and she has a weakness for cookies and Reese's peanut butter cups.
