

Business Organizations and Planning

With more than 130 years counseling businesses, Chambliss attorneys know that the key to a successful organization is a well-developed strategy. The firm's business lawyers offer strategic guidance and planning to corporate executives, boards and committees of public, private, family-owned, and nonprofit organizations for a wide range of corporate governance and business planning initiatives. From the formation and organization of business entities, through the financing, capitalization, and reorganization of those entities, to their sale, dissolution, or liquidation, our lawyers provide planning and design, negotiation (if needed), and transaction documentation, and execution.

Chambliss' corporate attorneys manage a variety of legal transactions with business entities such as:

- Corporations – for profit – C corporations & S corporations
- Corporations – nonprofit
- General partnerships
- Limited liability companies – member managed, board or manager managed, and single member
- Limited liability partnerships
- Limited partnerships
- Professional entities (PC, PLLC)

Chambliss' services include:

- Allocation and distribution structures
