

Commercial Lending and Financial Transactions

From structuring transactions, to drafting and negotiating term sheets, to documentation and post-closing support, Chambliss' commercial lending group guides clients through all phases of the lending process. Chambliss offers lending counsel to local, regional, and national commercial banks, deferred presentment companies, mezzanine funds, venture capital funds, merchant banks, private individuals, charitable trusts, finance companies, insurance companies, and other financial institutions. In addition, Chambliss also assists in the negotiation and documentation of loan workouts.

Our commercial lending attorneys provide representation in all types of commercial financing for both lenders and borrowers. Our representation of borrowers includes large public and privately held corporations, as well as small to mid-size corporations, partnerships, limited liability companies, and individual borrowers. The firm has represented borrowers and issuers on a local to national level.

Some of our commercial lending services include:

- Acquisition financing
- Bond financing (taxable and tax-exempt)
- Convertible debt facilities or debt with equity option and warrant features
- Lease financings
- Letter of credit facilities
- Loan workout transactions
- Local counsel opinions
