

License and Manufacturing Agreements

The intellectual property attorneys at Chambliss structure transactions and advise on business decisions to allocate the risks and responsibilities for the development, protection, licensing, and distribution of a wide variety of intellectual property assets. The firm advises clients on issues such as corporate structure, capital acquisition, and general business matters. During the due diligence process, Chambliss lawyers assist clients with review of materials and prepare the appropriate business documents.

Chambliss provides assistance and counsel with respect to:

- Consulting agreements
- Data sharing transactions
- Distribution agreements
- Franchise agreements
- Joint marketing agreements and other joint ventures
- Manufacturing agreements involving non-employees
- Patent, trademark, and copyright licensing agreements
- Procurement contracts
- Research and development agreements
- Rights of publicity
- Software licensing agreements
